

The Spanish General Aviation Commission (CTNVCM) of

REAL FEDERACIÓN AERONÁUTICA ESPAÑOLA

AND

AERoclub DE CASTELLÓN

BULLETIN #1

For the 24th FAI World Precision Flying Championship 2019

CASTELLÓN, SPAIN, from 10th to 16th June 2019

Dear colleagues and competitors, this is the first Bulletin concerning to the 24th FAI WPFC in Castellon, next June 2019. From the moment you get this Bulletin, our communication will be by this way, which is:

WEBSITE: www.wpfc2019castellon.com

CONTACT: infowpfc2019castellon@gmail.com

In this website you'll find the approved **Local Rules** for this competition last month in GAC meeting in Helsinki, and there you'll find all the forms to fill up and present the preliminary entries first, and the official ones later on.

We will appreciate if you can contact Hotel as soon as possible, and book your rooms. Even the Hotel will have a weekly report with us, it will be fine if each one of you, individually or group, mail to contact to confirm the booking to us. Number of rooms is blocked, and, may be, can be upgraded depending of the hotel situation, but this only will be possible if our booking is asap.

We also will appreciate minimum number of individual rooms. (as much as possible). Of course you have to feel free, but the more you share, the more we help ourselves to find rooms enough, not only for competitors, but also staff and officials.

Limit date for preliminary entry form is March 31st 2019. Please try to do it earlier if possible, together with the hotel booking.

All info about Hotel, and about accounts in Spain are in Local Rules. Don't hesitate to contact L.O.C. for whatever you need. Bulletin #2 will follow soon.

All the best

Local Organising Committee:

Jesus Mas

Pedro Cabañero

Juan Ramon Alvarez
